About the Project

The E-QUALITY project is an Erasmus+ cooperation partnership that aims to strengthen quality assurance (QA) systems in Higher Education across Europe. It supports the development of competence-based education models through collaborative research, shared best practices, and innovative digital tools.

took place

Meet the partners

The project is developed by 6 partners from 5 different European countries, aiming to help in strengthen quality assurance (QA) systems in Higher Education

Project Partners:

UNIVERSITY OF PIRAEUS RESEARCH CENTER

Greece

UNIMED - UNIONE DELLE UNIVERSITA DEL

Italy

VELIKO TURNOVO UNIVERSITY ST ST CYRIL AND METHODIUS

Bulgaria

POLITECHNIKA BIALOSTOCKA

Poland

NEAPOLIS UNIVERSITY

Cyprus

Enoros Consulting Ltd

Cyprus

What's happened so far?

- Website launched and social media launched
- Three-part survey conducted (students, teachers, staff).
- Over 120 students, 60+ teachers, and 30+ staff participated.
- Conducted between March–May 2025 using Google Forms.
- Analysis reports
- Results will shape universal QA tools

Meetings - Events

- Kick of meeting held in Piraeus, Greece, December 2024
- Second Transnational Project Meeting (TPM) held in Nicosia, Cyprus, June 2025

The transnational project meetings have served as key milestones for the E-QUALITY project, allowing partners to review progress, coordinate work package activities, and align on next steps. These meetings ensure smooth collaboration and strategic planning across the consortium.

Next steps

- Finalisation and translation of the QA platform and guidebook.
- Pilot staff training and testing phase of the platform. 5-day pilot staff training scheduled for Nov 2025 in Paphos, Cyprus.
- Continued dissemination, stakeholder and target group engagement.- QA platform and training modules nearing completion.

Thank you for reading!

We're on social media and have a website just for you!
